

# 3D. Disclose perceived or actual material conflict of interest

## Purpose

Use this form to disclose to the ACNC Commissioner that a Responsible Person of a registered charity has:

- a perceived material conflict of interest, or
- an actual material conflict of interest

➔ A Responsible Person's perceived or actual material conflict of interest only needs to be disclosed to the ACNC Commissioner if it cannot be disclosed to other people within the charity. For example, if the person with the conflict of interest is the charity's sole Responsible Person and member, the conflict of interest will need to be disclosed to the ACNC Commissioner using this form.

➔ A conflict of interest will be 'material' if a reasonable impartial observer would expect it to affect how the person with the conflict of interest would make a decision or exercise judgement. For more information about identifying material conflicts of interest, please see [acnc.gov.au/conflictsofinterest](http://acnc.gov.au/conflictsofinterest).

➔ A perceived or actual material conflict of interest that must be disclosed includes a related party transaction. For more information about related party transactions, please see [acnc.gov.au/relatedparty](http://acnc.gov.au/relatedparty).

Submit this form as soon as is practical after becoming aware of the perceived or actual material conflict of interest. Submitting this form promptly will help the charity to demonstrate that it complies with the ACNC Governance Standards.
